As Salaamu Alaykum wa Rahamatulah,

Recently, we have been advised by Shaykh Saleh as Saleh (hafithahullah) to list the Al Maun Fund as a charitable group as this is very helpful and protective. He said people would be more willing to give knowing it is something legitimate, trustworthy & reliable. He stresses the importance of registering, especially since this is going on in a non-islamic land.

He also stated, that the fund would be eligible to receive the zakat, as the medium to distribute to those needy.

Al Maun Fund in the intial stages of registering the fund name and related matters. In order to do so, we need some minimal funding.

To register the name, the fee is $25.00 which takes 6-8 weeks, or $75.00 for an expediated application. This will allow us to have open a bank account, and we will also be getting An

EIN number for the IRS.

As you know, all donations are directed to the needs of our requestors, and we use no funds for any administrative purposes, nor do we take a salary of any kind.

So this is why we are hopeful that someone would help us in this regard. If so, please make your contribution via paypal.com, using the email account almaun_fund@yahoo.com

This is what the people who have been helped by The Al Maun Fund have said.....
